

End of Service Announcement

This year Scale Logic, Inc. celebrates two years in business and we would like to THANK YOU for your continued loyalty and commitment to the Scale Logic Brand and our support of the Rorke Data product line.

For years you have been a proud owner of the HDX2 or one of Rorke's other legacy models and we believe that it is time for you to "move on" from the HDX2 models and explore the new products Scale Logic has to offer.

December 31, 2015 will be our official **END OF SERVICE** date for the Rorke Data HDX2 products.

This EOS applies to **ONLY** the **Rorke Galaxy HDX2 RAID and JBOD products**.

If you currently have this legacy product, we urge you to contact your Scale Logic representative to learn about the discounts, trade-in and special offers we can extend to you.

Please note the following:

- **We will continue to support HDX3, HDX4, LX6 NAS and Aurora 24 & 36 RAIDs**

Some of our special offers include:

- A next generation storage option that is scalable and affordably priced
 - 12 Bay FC Single or Dual Controller RAID with JBOD Expansion
 - 16 Bay FC Single or Dual Controller RAID with JBOD Expansion
 - 24 Bay FC Single or Dual Controller RAID with JBOD Expansion
- Trade-in options depending on the condition of your current HDX2

Scale Logic is still committed to your current contract period and will honor all contracts through the contract term, even if they extend past the December 31, 2015 deadline.

Scale Logic will also allow those units currently under contract, one final contract renewal up to the EOS date of December 31, 2015. This final contract renewal should provide you with time to budget and plan for the purchase of a new Scale Logic unit.

To learn more about your hardware refresh and other Scale Logic products please contact your regional Sales Director.
