

FACT: 60% of all IT budgets are service related

FACT: EMC/Isilon, Data Domain, NetApp all have exorbitant renewal fees as part of their strategy to move you to a technology refresh

FACT: Most CIO's want to stretch their ROI past the 3 year new equipment warranty

FACT: We can cut your Op-EX costs by 40-60% with the following:

- 24x7x4hr. support to over 100 countries world wide
- Onsite parts with each contract
- OEM Certified Level III Engineers on the 1st Call
- U.S. based assigned engineers to each account
- Refurbished Nodes and Clusters at the same discount level

25+ years of expertise in Pro Services with a 99% customer satisfaction rating
